

## SAFE SHOPPING FAQ

What measures does Premier Outlet take to protect customers?

Our cleaning staff sanitizes the restrooms and all surfaces that customers touch, with double intensity and there are contactless disinfection stations in the center. At the Information desk, we provide our customers with a surgical mouth mask free of charge.

Do I have to wear a mask in the center area?

Under current regulations it is mandatory to wear a mask everywhere in the center, both inside and outside.

What should I do if I don't have a mask?

Upon request, we can provide masks to our customers free of charge at the Center Information.

Can I use cash?

To avoid contact, we recommend you to pay by credit card, but you can also pay use cash.

Which stores are open?

According to the Government Decree, Premier Outlet stores are currently open between 10 AM and 8 PM with a limitation of customers inside the stores. The maximum number of customers in the store can be seen in the notice on the front door.
