STORE MANAGER

Premier Outlet

ABOUT THE JOB

As a Store Manager, you'll drive your team to achieve targets, find new ways to maximize sales and profit, organize training activities to help further develop your team, and make sure that everything in the store looks inviting at all times; all the while leading by example.

ABOUT YOU

- You have a minimum of 5 years store management experience
- You possess a passion for selling, take pride and identify with our amazing product and enjoy offering an exceptional retail experience to our customers
- Your own excellence in customer service and sales will enable you to be an integral part of the sales team as well as be responsible for the team success
- You are a talented and energetic retailer with impeccable personal presentation and great communication and social skills
- Native Hungarian as well as very good level of English and IT skills (MS office) complete your profile
