

## STORE MANAGER (F/M/D) in PREMIER OUTLET

### TOM TAILOR OUTLET STORE

---

Be inspired by a company that thinks and acts like a visionary: with flat hierarchies, short decision-making paths and a modern, dynamic and multi-faceted environment. We offer an exciting working atmosphere and great projects! Let's go: Be a part of our company's success on it's way to becoming a global player! Please note: this position is limited. You will get more information on that in the recruiting process.

---

### THE IDEAL CANDIDATE:

---

- You will be responsible for leading your staff to success and ensuring that sales targets are met.
- To achieve this, you will need to make optimal use of your employees' time, supervise checkout transactions and assist with the sale of merchandise.
- In the area of customer service you will lead by example and ensure that both the store and its stock are flawlessly managed.
- You will guarantee the success of your store by maintaining a smooth and efficient supply of merchandise and giving top priority to customers' requirements.
